

World Champion INDIAN ARTIFACTS World & Congress Champion Sire 1995 17.2 Hand Stallion

At DeGraff Stables we are strongly committed to the promotion of INDIAN ARTIFACTS, the foundation of our breeding program and the promotion of his progeny. We invite you to consider INDIAN ARTIFACTS for your breeding program. He is complementing a wide variety of mares and has proven himself to be one of the great producing sires of our time in a host of venues under saddle, on the longe line, in hunter breeding competitions, over fences, in front of a cart and in dressage and eventing. Excitingly, he is fast becoming known as a sire of sires, and as an exceptional broodmare sire. Our foals by INDIAN ARTIFACTS exhibit an 'uphill' build with exceptional hind-quarter engagement and the disposition of the Appendix Quarter Horse. This combines to demonstrate their athletic ability and willingness to perform, resulting in INDIAN ARTIFACTS offspring being competitive in a host of english disciplines.

About his pedigree: he is by 2X World Champion, 3X Reserve World Champion, Congress All Around Amateur and Reserve Super Horse: Artful Move. Buzz Fly (TB), the dam of Artful Move is a double bred great-granddaughter of Man O War whose line has sired running winners, AHSA Hunter/Jumpers and Quarter Horses for flat and over fence work. Man O War, War Relic and Bull Dog have produced jumping winners on the United States and Canadian Equestrian Teams; during International competition, in the Olympics, in the Pan Am Games and the Nations Cup to mention a few...

On his dam's side ~ Turn-To by Royal Charger by Nearco bloodlines are found in many modern top sport horse pedigrees. Marshua's Dancer who is out of his 2nd granddam; Marshua is found in the pedigree of many sport horses such as I'm a Star ~ sire of numerous successful 3-day event horses, including Star Appeal, Star Bright, Starbound and Dunroamin Star. Marshua by Nashua, by Nashrulla by Nearco are important sires that appear in the pedigrees of better performing individuals on both the hunter/jumper circuit as well as in on the flat classes. The Nashrulla lines have produced some of the best riding horses in sport today.

Attesting to the fact that INDIAN ARTIFACTS himself is versatile are the following registrations he holds:

- American Quarter Horse Association ~ Registration #369010
- Performance Horse Registry (As a Thoroughbred Cross) ~ Registration #P0003855
- American Warmblood Registry ~ USA 40610400295 ~ First Premium ~ Full Breeding License
- USA Equestrian (Formerly AHSA) ~ Registration #4089104
- American Warmblood Society ~ #2001474 ~ Certified for Branding
- United States Dressage Federation ~ Lifetime Registration #41067

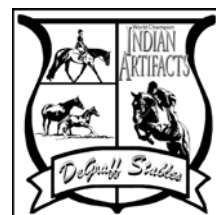

This top performing stallion is the ONLY breeding stallion today that is an AQHA World Champion and an AWR Site Inspection Champion. Shown in AQHA and NSBA events; both Open and Non-Pro/Amateur events at 2, 3, 4 & 5 years old, he was brought back out at 7 to the show ring during the 2002 AWR Inspection Tour. INDIAN ARTIFACTS was offered for inspection to the American Warmblood Registry (AWR) and earned a First-Premium Rating, a Full-Breeding License and was the highest scoring horse; earning the Site Inspection Championship. Additionally, EACH of his foals that have been subsequently submitted for inspection have outscored their dams. INDIAN ARTIFACTS is confirming that he can improve the breed.

In addition to his own performance achievements; AQHA World Champion, 2X Congress Reserve Champion, AQHA Superior and AWR Inspection Championship, as a Sire, INDIAN ARTIFACTS foals boast consistent winning characteristics across many venues. He sired the 2001 Congress Super Sale All-Time Record Selling Price for a Yearling, his progeny have attained multiple AQHA Superiors, AQHA Year End Hi-Point Champions, AQHA World Show Reserve Champion and multiple World Show Top 5 and 10's, All-American Quarter Horse Congress All-Around Champions and multiple Congress Champions and Reserve Champions, NSBA Champions and Reserve Champions and a host of Futurity and Circuit award winners at the most prestigious shows such as the Southern Belle, Tom Powers, the Reichert and many other state pleasure futurities. INDIAN ARTIFACTS offspring have earned multiple AWR Inspection Championships, multiple USDF AQHA All-Breeds Year End Awards, USEF All-Breeds Regions and National Year End Awards, Canadian Hunter Championship, National Hunter Breeding Top 10 Awards and the International Hunter Futurity. There are also World and National Champions in APHA, PTHA and ApHC breed competitions.

INDIAN ARTIFACTS Foal Engagements include: Foal eligibility in the \$30,000 Indian Artifacts Incentive Fund (see Website), AQHA Incentive Fund, NSBA SIF & NSBA BCF Programs, APHA Breeders Trust, AWR Breeders Program, Western Paint World and OPHB/Triple Crown Paint Futurity and many other major futurities and venues.

We are so pleased about the versatility of the INDIAN ARTIFACTS offspring. Visit our website www.WhatIWork4.com for more information. Foal by foal we endeavor to prove the value of owning, riding or showing an INDIAN ARTIFACTS. We always have quality young stock for sale.
