1. The Mare Owner shall agree that the mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in their opinion, in sound breeding condition, shall not be bred. It is the Mare Owner's responsibility to verify health and breeding soundness of the mare. It is further agreed that should the above named mare die prior to foaling, the Mare Owner may substitute another mare, to be use in the following season only, if it is agreed to by both the Mare Owner and Breeder.
2. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If however, the mare does not settle, the Breeder shall be held harmless.
3. Live Foal Guarantee: Live Foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a rebreed will be guaranteed the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner. The chute fee of \$250 is due prior to rebreeding for Live Foal Guarantee or if said mare did not get in foal from previous year's breeding efforts. Rebreds are only available the year immediately following the initial contract breeding season.
4. A Breeders Certificate will only be issued to Mare Owner upon request and upon notification of birth of the foal.
5. Waiver of Liability: It is understood that the breeding farm, its owners, employees, veterinarians and guests shall not be liable for any injury, escape, disability or death of any horse on its premises.
6. When the above named Mare Owner signs and returns one copy of this contract to the Breeder, it will then be a binding contract on both parties, subject to the terms and conditions. This contract is not valid unless completed in full and accompanied by a copy of the mare's registration papers.
