

## DeGraff Stables Amateur Friendly Prospects

When it comes to breeding, Robin DeGraff, of DeGraff Stables, Inc., certainly knows where it's at! Breeding since 1985, Robin, long enamored with the English equestrian events, has found a winning combination by proving her studs through breeding to her select broodmare band, which were chosen by type. The result has been the production of consistent "top quality, amateur-friendly prospects" for the English disciplines such as Hunter Under Saddle, Eq, Hunter Lunge Line, Hunter In-Hand, Working Hunter, Driving, and Dressage.

## Redefining Quarter Horse in Sport

DeGraff Stables is on an incredible journey in equine breeding that began over 30 years ago and continues with breeding and raising great minded athletic horses that are competitive in a host of english venues on the flat, in equitation, over fences or in dressage.

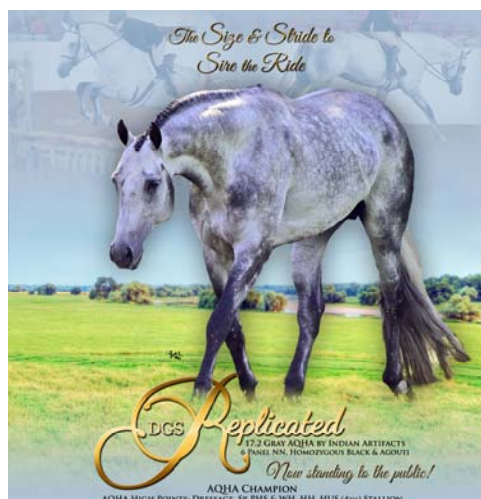

## Genetics Play a Significant Role

Believing that genetics play a significant role, DeGraff Stables has developed this family of extremely prolific horses. DGS Replicated is a 17-2 hand AQHA Gray Stallion with proven performance bloodlines, movement, conformation and with an extensive and versatile show record. By World Champion Indian Artifacts, DGS Replicated, comes from an amazing line of performers.

"DGS Replicated is a gorgeous stallion. I have always enjoyed watching him and am thrilled to be working with him at Saddle Lake Equestrian."

- Missy Jo Hollingsworth

With 3 full brothers and 1 full sister to show; they own multiple National High Point Year End Titles in AQHA, USDF or NSBA Associations and a Congress Reserve Championship. Two full sisters have produced multiple champions.

Focusing on temperament, trainability and athletic ability, history allows us to expect DGS Replicated, already an AQHA Champion with Multiple Year End High Points in Working Hunter, Hunter Hack and Dressage to excel as a sire.

## DGS Replicated Foal Venues

To increase value and marketability of his foals, DGS Replicated has been nominated into: the Premier Quarter Sires, the NSBA BCF and SIF plus many state futurity programs.

## Breeding Information

All that quality plus DGS Replicated is Homozygous for both the Black Gene (will not sire sorrel) and the Agouti Gene (Black Points). He carries one copy of the Gray Gene, meaning 50% of his foals will be gray. He has been tested Five-Panel N/N; OWLs N/N; CEM Negative; is EVA Negative; and annually vaccinated.
